### Subject: Milestone Recognition 15 Year Anniversary

It is with great pride that the Academy of Certified Hazardous Materials Managers Board of Directors is writing to you today. We extend our heartiest congratulations on the 15 year anniversary of the existence of the Connecticut Chapter. In an organization that thrives on the success of its members and Chapters, we are thrilled to recognize your success.

The ACHMM Board appreciates the 15 year contribution made by the Connecticut Chapter. The Connecticut Chapter has been one of our "star" chapters, with great member participation and notable contributions to the local professional circle as well as the National Academy. Connecticut Chapter has been an integral part of the ACHMM family of Chapters, and has made the organization stronger by its presence.

Please accept the enclosed Certificate of Appreciation as a token of our esteem gratitude. Beyond the basic gratification of great networking, learning experiences, and professional camaraderie, we hope this recognition will remind The Connecticut Chapter that there is a larger organization out there to support and encourage your continued success.

So again, congratulations and best wishes to the Connecticut Chapter! We look forward to many more years of affiliation with your fine group.

For the Board of Directors –

Michael Mandracchia, CHMM

President
