Safety, Health and Environmental Job Openings from a Recruiter

Following is a list of some of the available job openings in the Environmental, Health and Safety area that I am working on. Should you know of anyone that might be interested in learning more about these positions please have them contact me, Paul Shrenker, directly or feel free to contact me yourself and I will give you more details. My phone number is 413-267-4271; email address pshrenker@comcast.net or paul@psassociatesinc.com and fax 413-267-4287. All searches and candidate conversations are held in strictest confidence and no resume will be mass distributed. Thanks for your help.

Safety, Health, Environmental Superintendent (1 hour Southwest of Chicago) for this approximately 100 employee chemical manufacturing subsidiary. This position reports to the Manager of Operations at the facility. This position is responsible for 3 locations; manufacturing plant, r&d facility/pilot plant, and office space. The locations are within driving distance of one another. The ideal candidate will have 5-10 years of sh&e experience (weighted toward safety), the recent 4+ years of which should have been at a chemical manufacturer. The candidate should also have a BS in chemistry, environmental science, health and safety or other technical field and be knowledgeable in Process Safety Management.

Several positions that I can not post include: Environmental Engineer, LA; Safety and Environmental Manager, IL; Process Safety Engineer, IN; EHS Manager (NY, MN); Regional EHS Manager, IL; Safety Specialist, IL; EHS Engineer, CA.

Positions are added weekly. If you or someone you know would like to be informed of future job opportunities as they become available, please forward their name and email address to pshrenker@comcast.net or paul@psassociatesinc.com. Additionally I usually have a few other openings that I can't "publish" so please give me a call or email me if interested.
