**HIGHLIGHTS of the EVENING**

◆ **WASTEWATER TREATMENT FACILITY TOUR:**

Hamilton Sundstrand is a global corporation with various business units that design, manufacture and support aerospace and industrial products for worldwide markets. The company's aerospace business provides electric power generation and distribution systems; fuel and special fluid pumps; engine control systems; gearboxes; primary and secondary flight controls and actuation systems; ram air turbine emergency systems; auxiliary power units; environmental control systems.

Hamilton will give us a tour and explain the operation of their industrial wastewater treatment facility.

- ◆ **DINNER:** Cost: \$15.00 for members  
\$25.00 for non-members

(Dinner (off the standard restaurant Menu) is partially subsidized by the Chapter, Bar Drinks not included.)

*Facility Located at One Hamilton Road, Windsor Locks (Park in parking lots next to Post 3) and restaurant located at 101 Ella Grasso Turnpike, Windsor Locks*
